

Med Gas Plumber Job Description

Since 1980, DynaTen (a Comfort Systems USA Company) has been successfully providing Commercial Service and Construction Solutions to the greater North Texas market. We partner with our customers and understand that technical expertise and flawless execution is what they expect and what DynaTen consistently delivers. That is why customers continue to rely on DynaTen to be their chosen provider for HVAC, Plumbing and Building Automation Controls Service solutions. We offer tremendous long-term career opportunities, excellent benefits, and a positive work environment.

Job Opportunity

DynaTen is seeking a Commercial Service Plumber to join our team! This is a key position in our organization with opportunities for growth and advancement.

Essential Duties:

- Install and assemble gas pipes in medical facilities
- Familiar with medical gas and vacuum systems.
- Follow all laws, codes, rulings, and regulations to ensure the facility follows federal standards
- Test existing systems that deliver oxygen, carbon dioxide, and nitrogen during surgery.
- Ensure clean air throughout the facility, providing power to surgical equipment, and managing all pipe fitting procedures.
- Utilize lockout/tagout and confined space guidelines, as well as all other safety guidelines.

Requirements

- Possess state issued plumbing license - Journeyman or Master with Med Gas endorsement
- Able to pass a pre-employment drug screen and background check.
- Minimum of two years of experience in plumbing installation or mechanical systems
- Must have completed a specialty training course that equips you with the necessary skills to install ASSE Standard 1060 equipment and take a course in brazing
- Know protocols outlined in the National Fire Protection Association 99 manual
- Proven technical capabilities delivered with customer service in mind.
- Strong verbal and written communication skills.
- Commitment to integrity and quality.
- Positive attitude and self-motivated.

What you can expect:

- In house and manufacturer led training, leadership development
- Long-term career growth into operations, sales and/or leadership
- Comprehensive benefit package and employer sponsored memberships
- 401k match, PTO, Holiday Pay, and more!

EEO Statement – DynaTen is an equal opportunity employer that is committed to diversifying its workforce. DynaTen, Inc does not to discriminate against any applicant for employment, or any employee because of age, color, sex, disability, national origin, race, religion, or veteran status.

The statements contained in this document are intended to describe the general nature and level of work being performed by a colleague assigned to this description. They are not intended to constitute a comprehensive list of functions, duties, or local variances. Management retains the discretion to add or to change the duties of the position at any time.

This job description in no way states or implies that these are the only duties to be performed by the employee(s) of this position. Employees will be required to follow any other job-related instructions and to perform any other job-related duties requested by any person authorized to give instructions or assignments. All duties and responsibilities are essential functions and requirements and are subject to possible modification to reasonably accommodate individuals with disabilities. To perform this job successfully, the employee(s) will possess the skills, aptitudes, and abilities to perform each duty proficiently. Some requirements may exclude individuals who pose a direct threat or significant risk to the health or safety of themselves or others. The requirements listed in this document are the minimum levels of knowledge, skills, or abilities. This document does not create an employment contract, implied or otherwise, other than an at will relationship.
