

Commercial Journeyman Mechanical Insulator

DynaTen (a Comfort Systems USA Company) has been successfully providing Commercial Service and Construction Solutions to the greater North Texas market. DynaTen is seeking a Commercial Journeyman Mechanical Insulator to join our team! This is a critical position that will be highly visible in our operation. You will help execute our organization's strategic goals. Additionally, this is a position that offers professional development and long-term career growth.

Responsibilities

- Ability to Review project documents for understanding of required Mechanical Insulation systems, Insulation product materials requirements and Insulation product installation requirements.
- Requires the knowledge of installing various insulation material on HVAC ductwork, mechanical piping, and plumbing piping. Including duct wrap and ridged board, fiberglass pipe covering, Armaflex, Foam glass, Phenolic and PVC or Aluminum Jacketing.
- Self-driven nonsupervisory position that can work as an individual and with a supportive install team and construction unit. Willing to support other trade teams during Insulation down time.
- Ability to measure and make material lists for work areas.
- Work safe and efficiently with DynaTen and all project team members.
- Participate in training, safety training and mentoring and directing apprentices and other project team members.
- Maintain and Support project team with a safe and clean work environment, personal protection equipment (PPE), company tools, rentals, and personal hand tools.
- Involved in determining workforce needs and the effective use of all department resources.
- Fulfills responsibilities in accordance with the organization's policies and processes.

Requirements

- 4 years of Commercial Mechanical Insulation experience.
- Required Hand tools for trade.
- OSHA 10 (DynaTen will certify if needed).
- Reliable transportation.
- Lift up to 60 pounds, handle heavier items with team, lifts, work of ladders and elevated platforms and in small areas and heights.
- Strong verbal and written communication skills.
- Commitment to integrity and quality.
- Ability to navigate documents, drawings, and software using an electronic tablet a plus.
- Positive attitude and self-motivated.

What you can expect

- Exceptional health, dental and vision insurance.
- Paid Employee Only Medical Coverage
- In house led training and development

- Long-term career growth
- Comprehensive benefit package and employer sponsored memberships
- 401k match, PTO, Holiday Pay, and more!
- Annual incentive program
- Stable work with a guaranteed 40 hours per week minimum

Working Conditions

Must have the ability to perform the duties above on commercial projects. This will include climbing ladders, working on ladders and elevated surfaces, transporting tools, materials, and equipment required to your work area. Working exposed to the elements during all times of the year. All employees are required to always wear PPE and always follow Safety procedures.
